## EGG HUNT APRIL 13TH

Join us for the annual Egg Hunt in the MPR on April 13th at 10 AM. We will gather for Easter Games then go on an egg hunt in our 3 enclosed Gardens.

Residents will help fill the eggs to prepare for the day. Children of Resident family members as well as those of staff are welcome to attend.

Volunteers from Dickinson will be here to help with the logistics, making sure all the egg hunters get a good collection of eggs.

There are always great opportunities for photos so dress for Spring!

## Keeping your mind sharp just got more convenient!

Now you can play clinically proven Dakim BrainFitness on any computer in the community or on your own PC, Mac, or iPad!

Your Mind Matters™

## Brain Games Are Here!

In April, we will be rolling out a new system of Brain Fitness for our residents. There will be a shared unit for the games in the connecting hallway. You may also access the games on your own PC, Mac, or Ipad.

See Nancy Hahn for help with signing up for this program.

### **Visitor Stations**

Visitor stations are located at the Ground floor entrance, the Administration entrance and the AW entrance ( off of Army Heritage Drive). These stations include a guest book where you will receive a visitors badge, a bulletin board where any current information can be posted, and hand sanitizer to be used before and after each visit . Please utilize these stations so that we may keep a safe and healthy environment for all.

## Holiday Observances In April

There will be an Easter Egg Hunt on April 13th starting at 10AM in the MPR. All children are welcome.

We will be holding a short non-denominational Good Friday Service in the MPR on Good Friday at 2PM.

Following the service, we will do a community action project involving the dying of eggs which will then be donated to a local food bank.

Easter Sunday Service will be held in the MPR at 2PM

## Possession Safety

Please ensure that any new clothing items are given to the nurse on unit to be sent for labeling so that we may know who to deliver them to following laundry. This helps everyone get their own belongings delivered to them in a timely way. Thanks!

## Privacy Advise

Residents, family members, and visitors should refrain from photography, videotaping, or audiotaping other residents. If at any time it is felt that an imaging process is not in the best interest of the resident, facility, or any other individual, the person responsible for the imaging process may be requested to discontinue the operation and/or delete said imaging. This request may be made by any CNRC workforce member

## MONEY ACCESS

Our residents may access funds from the receptionist on the ground level of the Tower after 4PM, on weekends, and on Holidays.

## Changes Happen !

Changes happen in everyone's lives! There can be a lot to think about after such a move. If you've made a change in your address or phone number, please share it with us. Often we find out about changes when a newsletter is returned to us. Thanks!

## PETS ARE WELCOME

Pets are welcome to visit. It is important that before they do, we have a record of their shots and good health from your vet. Visiting pet registration forms as well as plastic bags for pet clean up are available at the desk of the receptionist at Ground Level.

## Claremont Web Site

Check out our new website! All things Claremont will be easier to find. You can access our website at <https://claremontnursing.com> and look at calendars, information about services and staff and news items relating to us. Join our calendar news feed and get scheduled event updates.
