## CLAREMONT NURSING AND REHABILITATION CENTER

### Privacy Advisory

**Residents, family members, and visitors should refrain from photography, videotaping, or audiotaping other residents. If at any time it is felt that an imaging process is not in the best interest of the resident, facility, or any other individual, the person responsible for the imaging process may be requested to discontinue the operation and/or delete said imaging. This request may be made by any CNRC workforce member.**

### Gardens are Abloom!

While visiting take time to enjoy the many garden areas at Claremont. There are colorful spring blooms popping up everywhere!

Our Birds and Butterflies Garden to the rear at our patio area has been especially designed by Master Gardeners.

Our residents are able to enjoy this area in nice weather. They also plant and keep the front of the building Ideas Gardens in tip top shape. These beds are planted each year with different combinations designed to inspire and provide ideas for all gardeners to use.

On a smaller scale there is a potted herb garden on the patio also planted by the Master Gardeners with the help of our residents. You can enjoy the sensory smells and textures of the variety of herbs there on a walk with one of our residents.

The Ronald Coleman Memorial Garden is a bit of a walk away from the building to our picnic pavilion area, and it makes a wonderful destination in nice weather.

Plan to take a walk and enjoy what nature and Claremont has to offer outdoors.

### Brain Games Are Here!

In April, thanks to the benevolence of The Friends of Claremont, we installed a system of Brain Fitness for our residents. There will be a shared unit for the games in the connecting hallway. Games can also be accessed on the PC, Mac, or I-pad of registered users.

On May 14th at 2PM in the Multi Purpose Room, we will be holding a Reception to roll out the program to the public so that they can see and appreciate the wonderful addition to our facility.

Residents will demonstrate the program, and attendees will get the opportunity to sample the program. Light refreshments will be served. You're invited to attend and witness this wonderful program at it's inception.

## Keeping your mind sharp just got more convenient!

Now you can play clinically proven Dakim BrainFitness on any computer in the community or on your own PC, Mac, or iPad!

See anyone in the Activities Department for help with getting signed up to use the System on your own device, or call Nancy Hahn at 717-240-1937

## **Visitor Stations**

Visitor stations are located at the Ground floor entrance, the Administration entrance and the AW entrance ( off of Army Heritage Drive). These stations include a guest book where you will receive a visitors badge, a bulletin board where any current information can be posted, and hand sanitizer to be used before and after each visit . Please utilize these stations so that we may keep a safe and healthy environment for all.

## Volunteers Update

Changes in regulations is having an effect on the way that we orient our volunteers. We will be scheduling a monthly orientation and training session for volunteers beginning in May so that we may meet these changes. Many local schools require volunteer service, we will still welcome youth volunteers. Volunteers over 13 and over may volunteer independently following registration and completion of an orientation session. Under 13 they must still complete a session but may only volunteer while a parent or guardian is in the facility. We welcome volunteers of all ages!

Religious materials like Bibles, devotional booklets, as well as other spiritual resources are available to all of our residents and staff upon request, at no cost. We can also make resources available for non-Christian traditions.

## Its Almost Snow Cone Time!

It is almost time for Snow cones. The first Thursday in June will be the roll out of snow cone season at Claremont. We will feature all of the favorite flavors that day including root beer, watermelon and sweet pickle! Snow Cones will be featured every Thursday from June 7th until September 6th. Bring the kids and enjoy a cool and sweet treat on our patio.

## MONEY ACCESS

Residents may access funds from the receptionist on the ground level of the Tower after 4PM, on weekends, and on Holidays.

## Changes Happen !

Changes happen in everyone's life! There can be a lot to think about after such a move. If you've made a change in your address or phone number, please share it with us. Often we find out about changes only when a newsletter is returned to us. Thanks!

## PETS ARE WELCOME

Pets are welcome to visit. It is important that before they do, we have a record of their shots and good health from your vet. Visiting pet registration forms as well as plastic bags for pet clean up are available at the desk of the receptionist at Ground Level.

## Claremont On The Web

You can access our website at <https://claremontnursing.com> and view calendars, information about services and staff and news items relating to us. Join our calendar news feed for event updates.
