

## Annual Family Picnic

Our Annual Family Picnic is July 18th at 5:30 in the MPR.

There will be entertainment and a picnic meal.

Residents welcome this opportunity to host family members in a casual and fun way. Make plans to attend!

Family Members of our residents are welcome to attend. Please RSVP with the residents name, and the number of family members who will attend to: Nancy Hahn at 717-240-1937.

## MONEY ACCESS

After 4PM, on weekends, and on Holidays, Residents may access funds from the receptionist on the ground level of the Tower.

## PETS ARE WELCOME

Pets are welcome here at Claremont. It is important that before they visit though, that we have a record of their shots and good health from your vet. It is a Health Department Requirement. We also need a visiting pet registration form.

Visiting pet registration forms as well as plastic bags for pet clean up are available at the desk of the receptionist at Ground Level. Please clean up any messes your pet might make indoors or out while here.

## Brain Games Here!

We have installed a system of Brain Fitness for our residents. There is a stationary unit for the games in the connecting hallway. Games can also be accessed on the PC, Mac, or I-pad of users.

## Summer Youth Volunteers

Many local schools require volunteer service. We welcome all youth volunteers. All youth 13 and over may volunteer independently after registration and completion of a session of orientation. At 12, they must still register and complete a session but may only volunteer while a parent or guardian is present in the facility. Registration forms are available at the receptionist on ground or from any activity professional.

## Privacy Advisory

Residents, family members, and visitors should refrain from photography, videotaping, or audiotaping other residents. A person recording may be requested to discontinue the operation and/or to delete said imaging.

This request may be made by any CNRC associate.

## Snow Cones are Here!

Snow Cone Thursdays all summer long! We will feature favorite flavors including root beer, watermelon, berry blue and sweet pickle! Snow Cones will be featured every Thursday from June 7th until September 6th. Bring the kids and enjoy a free cool and sweet treat on our patio.

## WIFI UPDATE

Our WIFI services have been updated to provide residents with an improvement in service and availability. Please see your nearest Activity Professional for additional information on how to access this service or any other needed assistance with WIFI. The Activities Department does have the availability of kindles and limited other devices for lending if you know someone interested in borrowing them for a few sessions.

### **Visitor Stations**

Visitor stations are located at the Ground floor entrance, the Administration entrance and the AW entrance ( off of Army Heritage Drive). These stations include a guest book, visitor badges, a bulletin board where current information is posted, and hand sanitizer to be used before and after each visit . Please utilize these stations so that we may keep a safe and healthy environment for all.
