

Effective January 1, 2020, our per diem rate, which includes room and board, routine nursing care services, individualized dietary services, housekeeping services, incontinence supplies, clothing name labels, personal-laundry service, and activity programs and social services will be as follows:

<u>Nursing Facility Care</u>	<u>Per Diem Rates</u>
Floors 1, 2, 3 in Tower Building	\$315
C Wing	\$335
Transitions at Claremont	\$350
Heritage Harbor/Dementia Unit	\$345
Bed Hold (during a Hospitalization or Leave of Absence)	Per Diem Rate

The following types of services are not included in routine nursing care: one-on-one companion or CNA services when required by resident's care plan; care for certain high acuity conditions, such as ventilator dependent care; dialysis services; treatment for drug and alcohol conditions; or psychiatric care. Generally, services not included in routine nursing care are not available at Claremont Nursing and Rehabilitation Center; and, if such services become or are available, then such services are only provided for an additional fee.

Pharmacy services, rehabilitation services, ambulance services, physician services, diagnostic services, laboratory, x-ray, and specialty equipment charges are based on actual charges by the providers and billed to resident or resident's third party payor based on payor-specific guidelines.

Per diem rates are charged on day of admission and up to and including day of discharge.
